

Hello Band Parents,

My name is Elisa Robert and I am the Marching Band Uniform Coordinator. In order for the process to run smoothly I will need cooperation from your student. Here are the "rules" for uniform fitting and checkout. Please review these with your child so we can get this huge process done quickly and efficiently:

Checkout Schedule:

Parents will go to Band Hall, students will proceed through checkout process. Once finished, your child will meet you in the Big Band Hall.

Mon, August 3rd 6:30pm – Fitting for Leadership and Set-up and Checkout Practice -Remember to wear your show shirt and shorts –

(Parents of leadership come on Tuesday night)

Tues, August 4th 7:00pm – Fitting for (10th, 11th and 12th graders whose last names start with A-J)

Tues, August 4th 8:00pm – Fitting for (10th, 11th and 12th graders whose last names start with K-Z)

Thurs, August 6th 7:00pm – Fitting for Freshmen and any other new students to the GHS Eagle Marching Band

"Rules" for Checkout:

- No food or drink will be allowed anywhere near the fitting area
- Wear same type of clothing you wore for fitting. Wear long hair in ponytail.
- Do not congregate in the uniform area. Stay focused and move through the checkout process then when finished, you can visit outside the checkout area.
- Barcodes must remain on the jackets and pants until removed by the Leadership team at the appropriate time. If you find a Barcode Label on the floor, please return it to Mrs. Roberts.
- Pants are very long so please fold them up, not roll them. DO NOT walk on the pant legs as this will ruin the fabric. Also, the barcode label is connected to one of the pant legs and must not be lost or damaged.
- Drum line needs to wear harnesses when jackets are fitted.
- Wear or bring socks if you are purchasing marching shoes.

Checkout Process Flow:

- Payment and Forms (there will be various areas to order fun stuff like T-shirts, Hoodies, CD's, etc)
- Students to hallway by choir and RH2 while parents go to RH1
- Take off shoes, step up to Check-in table and receive uniform envelope
- If you were measured already...proceed to uniform room doorway to receive Jacket and Pants
- If you were not measured already...Proceed to the Little Theatre Kitchen area (across from the bathroom). Do not go into the uniform room until told to do so by Leadership. You will be measured and then sent on through the process.
- Change into the uniform in Practice rooms.
- Go into the Yellow Band hall for fitting.
- Change back out of the uniform in Practice rooms.
- Take uniform back into Yellow Band hall and proceed to garment bag station and receive garment bag, then to White and Black gauntlets, then hats. DO NOT SKIP AROUND. You must follow the stations in order. DO NOT remove the strings from the hats. These need to remain in the hats ALL year.
- Check out in Yellow Band Hall. Store Garment bag and Hat in Yellow Band Hall.
- Exit Yellow Band Hall, join parents in RH1 and/or go to shoe area to purchase shoes or music supplies in Choir Room.

Thank you for helping us fit your band student. Your child will look fabulous on the field. GO BAND!!!!
